Subj: Letter of Commendation

1. The Commanding Officer USS CORPORAL (SS346) takes pleasure in Commending MM2(SS) Don Robert ANDERS, USN, 694 54 19 For exceptional performance of duty as set forth in the following citation:

CITATION

On the morning of 25 September a water leak developed in the After Battery Compartment while CORPORAL was deeply submerged. Petty Officer ANDERS was in the vicinity at the time and immediately initiated damage control procedures. The salt water entering the compartment endangered the main storage battery. Petty Officer ANDERS's efforts to reduce the flow of water and to minimize it's effect were correct, rapid and successful. Petty Officer ANDERS's calm, deliberate manner of casualty control coupled with his ability to work together with others, is in keeping with the highest traditions of the Naval Service.

2. A copy of this letter will be made part of your service record.
